WIOA Section 188(a)(3): WIOA title I funds may not be spent on the employment or training of participants in sectarian activities.

Further, the undersigned applicant certifies that it shall comply with the requirements of the U.S. Department of Health and Human Services set forth in 45 CFR Chapters 80 and 84.

Education Standards and Procedures: The undersigned applicant certifies that it shall comply with the provision outlined in WIOA Section 194(9)(B) Except as otherwise provided in this title [WIOA title I], the following conditions are applicable to all programs under this title:Standards and procedures with respect to awarding academic credit and certifying educational attainment in programs conducted under such chapter shall be consistent with the requirements of applicable State and local law, including regulation.

Compliance with State Law: The applicant certifies that it shall comply with applicable State law, including legislation related to the licensure or regulation of providers of education and training services, including but not limited to Texas Education Code Chapter 132, related to Career Schools and Colleges.

Reporting Requirements: The undersigned applicant certifies that it shall comply with the provisions of WIOA Sec. 122, and the reporting and procedural requirements issued by the Texas Workforce Commission.

Where the prospective recipient of federal assistance funds is unable to certify any of the statements in this certification, such prospective recipient shall attach an explanation to this certification.

The undersigned authorized representative of the applicant herein certifies that the statements above pertaining to WIOA Requirements Related to Debarment and Suspension, Drug-Free Workplace and Lobbying; Nondiscrimination; Education Standards and Procedures; Compliance with State Law; and Reporting Requirements are true and correct as of the date of submission. The authorized representative acknowledges that this information applies to any and all applications for initial and continued eligibility submitted.

In addition, the authorized representative acknowledges that the Boards are statutorily charged with the function of oversight responsibilities including ensuring continuous improvement of eligible programs of services through the system, and ensuring that such programs meet the needs of local employers and training participants. In this capacity, the Boards have oversight authority over the quality and integrity of training services by providers, and the provider's compliance with all assurances herein. Violations of any terms of this agreement may lead to further action.

Submission of this document authorizes the Agency to accept and use all information submitted to the Agency by the applicant through the Eligible Training Provider System. Further, the authorized representative acknowledges that any information submitted will be attributed to the applicant and the applicant will be responsible and liable for any action taken by the Agency, Board(s) or training participants in reliance on that information.

I understand.

To avoid losing your work, click 'Save As' before entering student details. You can name the file after the program you're working on.

The screenshot shows the Excel interface. On the left, the 'Info' pane is open, displaying options like 'Close', 'Info', 'Save As', 'Print', 'Share', 'Export', 'Options', and 'About'. The 'Save As' option is highlighted with an orange circle. The main spreadsheet area shows columns J through S. The headers for columns J through N are: 'First Attendance Date', 'Program Exit Date', 'Exit Type', 'Credential Received Name', and 'Date Credential Issued'. The 'Save As' button in the 'Info' pane is circled in orange.

13

Begin entering program and student data. For each entry, use the Provider ID, Campus ID, Program ID, and Program Name you recorded on the previous page. Enter these values into columns B, C, D, and E, respectively. If you don't have the ETP Program/ID Code for column "F", reach out to your board contact or the help desk and we will provide that number for to you. (etp.helpdesk@twc.texas.gov)

The screenshot shows the Excel spreadsheet with the 'Annual Student Data Report Template (4.30.25) - View-only' title. The 'Home' tab is selected. The spreadsheet grid shows columns B through S. The headers for columns B through N are: 'Provider ID (TWC)', 'Campus ID (TWC)', 'Program ID (TWC)', 'Program Name', 'ETP Program Code/ID', 'Student's Social Security Number', 'Student Last Name', 'Student First Name', 'First Attendance Date', 'Program Exit Date', 'Exit Type', 'Credential Received Name', and 'Date Credential Issued'. The 'Provider ID (TWC)' header is circled in orange.

14

Once all student details have been entered, save your excel file and upload it using the link attached to each respective program. You must do this for each program you are reporting for.

After you have submitted the report, you will get a confirmation at the top of the page letting you know that the "Document has been submitted."

The screenshot shows the TWC-ETPS Annual Reporting page. At the top, a blue navigation bar contains the links: TWC-ETPS, Dashboard, Documents, and Approvals. Below this, the page title is "Testing Nursing School". A green banner at the top of the main content area displays the message "Document has been submitted." with a small orange circle highlighting the word "submitted". The main heading is "Annual Reporting". Below the heading, there are tabs for Submission, Review, Comments (0), Status (Pending Review), and History. The Submission tab is active. Under the Submission tab, there are two sub-tabs: "1. WIOA Acknowledgement" and "2. Student Details". The "1. WIOA Acknowledgement" sub-tab is active. It contains several input fields: "Provider Name" (Testing Nursing School), "Provider ID" (11182), "Campus Name" (empty), and "Campus ID" (22104). Below these fields is a section titled "Workforce Innovation & Opportunity Act (WIOA) Acknowledgement".

17

To verify that your report has been submitted, click "Documents".
